[Special to The Times-Dispatch.]
DANVILLE, VA., August 20.—After getting five runs in the lead, Richmond lost to Danville to-day in the second game of the series here. The contest was as sensational as any seen here for some time, and it took ten innings to tell the tale. The way Richmond started on Walsh it looked as if they had the game clinched. In the second inning Siebrie tried and scored when Cowan hit to Walsh, who failed to get Siebrie at the plate. In the next inning Heffron walked, Reeve sacrificed, Tingle hit safe and stole second. A single by Wallace, who went to second on Hicks' error, scored Heffron and Tingle. Siebrie again hit for three sacks, scoring Wallace, and Cowan singled, scoring Siebrie.

After the third inning, Walsh settled down, and during the remaining seven allowed only two hits. The visitors never had but one chance to score again, and this was when they had three men on bases with no outs, but failed to get the necessary hit. In the fourth and fifth innings the fireworks were opened upon Long for Richmond.

A succession of hits, together with an error by Cowan and a wild pitch, netted Danville four runs in the sixth inning Long was taken out and Carter substituted. He allowed but two hits, but these two meant two runs—just enough to win. In the eighth, with one down, Fisher hit to center field and the ball bounced over the fence. In the tenth inning, with two out, Carter walked two men, and a clean single by Tydeman broke up the contest. Danville was taken all together, a splendid exhibition. Richmond's three outfielders played a great game, and cut down many deep drives which looked good for one or more sacks. Siebrie, two triples and three singles by Hicks were featured in the contest. Doyle, for Danville, played his usual great game at second base. The tabulated score:

Winchester Pitcher Holds Hagerstown Hitters to Four Hits.
WINCHESTER, VA., August 20.—Cantwell held the Hagerstown sluggers to four bingles this afternoon, and Winchester won easily, 6 to 2. Until the seventh inning not a visitor reached second base. The batting of Curley Brown, Francis Baker, and Cantwell and the sensational running one-hand catch by Duggan were the features for the locals, while the batting and fielding of Sentez, for Hagerstown, was of a high order. Winchester, Cantwell and Woodward; Hagerstown, Fanwell and Plaster.

Revelle Loses First in Pretty Battle—Second a Slugging Match.

[Special to The Times-Dispatch.]
PORTSMOUTH, VA., August 20.—The locals dropped a double-header to Roanoke at Athletic Park to-day; the first game, 1 to 0, and the second, 8 to 0. The first game was errorless and a pitchers' battle, with Morrissey and Reynolds as opposing pitchers. The second game was a slugging match, Reynolds, for Roanoke, and Temple, a native Portsmouth recruit, facing badly. Willis, who relieved Reynolds in the eighth inning, got along better. Very little scoring was done in this game, Reynolds' side being the exception. With better base-running, Portsmouth would have won this game. Score:

WORLD'S RECORD THREE YEAR OLDS

General Watts Trots the Mile in 2:09 1-4 in Great Race.

ANGUS POINTER'S FAST TIME

Fine Pacing Performer Finishes Mile in Fastest Time of Year.

READVILLE, MASS., August 20.—The world's record for three-year-old trotting stallions was reduced to 2:09 1-4 by General Watts at the Grand Circuit meeting to-day, both heats of the American Horse-Breeders' Futurity going to the son of Azworthy in that remarkable time. The victory of the colt was a surprise to the talent, as twice this season the filly Belle Bird had taken his measure at Cleveland and at Buffalo.

Angus Pointer, owned by Senator George Whitney, Enfield, N. H., paced the fastest mile of the year in the first heat, by going the second heat in 2:02 3-4.

American Horse-Breeders' Futurity, the cups offered for each of the two races, were being rowed, and the contests were witnessed by some distinguished people, among them being Governor and Mrs. Swanton, Baron and Madame de Lacerantz, Hon. Harry St. George Tucker, president of the Jamestown Exposition, Rear-Admiral Robley D. Evans, U. S. N., Rear-Admiral P. F. Harrington, U. S. N., Hon. Charles W. Kohlsaat, commissioner of the Massachusetts State Fair, and Vice-Consul Henning Fernstrom and Secretary of the Swedish Legation W. A. F. Ekengren. There were also scores of other ladies and army and navy officers aboard the fly.

AMERICAN TARS WIN ALL BUT ONE

Three of Four Rowing Races With Swedish Crews Lost by Visitors.

LOUISIANA CREW FASTEST

All Races Are for Cups Offered by Prince or Other Swedes.

[Special to The Times-Dispatch.]
NORFOLK, VA., August 20.—The American tars were victorious this afternoon in three of the four boat races with the cadets and members of the crew of the Swedish cruiser Flygia, which brought Prince Wilhelm here. There were two races, two miles straightaway, between the teams of the two nations, and two races, one mile straightaway, between the American midshipmen and Swedish cadets.

A reception in honor of Prince Wilhelm, by the Swedish minister to the United States and Madame de Lacerantz was in progress on the Flygia as the races were being rowed, and the contests were witnessed by some distinguished people, among them being Governor and Mrs. Swanton, Baron and Madame de Lacerantz, Hon. Harry St. George Tucker, president of the Jamestown Exposition, Rear-Admiral Robley D. Evans, U. S. N., Rear-Admiral P. F. Harrington, U. S. N., Hon. Charles W. SUMMARIES OF RESULTS.

The first race, two miles, straightaway, for seamen, was won by the crew from the battleship Louisiana. Time, 14 minutes and 40 seconds. This race was for Prince Wilhelm's cup.

The second race, two miles, straightaway, for seamen, was won by a crew from the battleship Missouri. Time, 16 minutes 30 seconds. The cup of Secretary Ekengren was the prize for this race.

The third race, one mile, straightaway, for American midshipmen and Swedish cadets, was won by the Americans. Time, 7 minutes and 30 seconds. The cup donated by Baron de Lacerantz was the prize at stake in this race.

The fourth race, one mile, straightaway, for American midshipmen and Swedish cadets, went to the husky young Swedes. Time, 7 minutes and 40 seconds. The regular racing work there before the other race, with the result that the men are better able to master the new stroke. They are now rowing a longer, slower and more powerful stroke, and going well together. The indications are that the crew will be able to row several seconds faster than in the recent race here, when it was the mile in about five minutes, and won by more than a length.

VIRGINIANS TO RACE ANALOSTAN CREW

Several Changes in Local Shell Since the Recent Race Here.

ANALOSTANS STRONGER ALSO

Washingtonians Have New Boat and Two Valuable Additions to Crew.

A great many Richmonders interested in boating will go to West Point on Saturday to witness the great match boat race between the Virginia Boat Club of this city, and the Analostan Club of Washington, in eight-oared shells. It will be remembered that the two crews recently rowed a beautiful mile straightaway race on the James River here, and that the Virginians won by a trifle more than a length in a prettily contested race. Since then the Analostans, smarting under their defeat, have been undergoing special training and coaching with a view to wiping out the stigma and regaining lost laurels in a second race, which has been arranged for the York River course at the Point.

Special training will be operated from this city to West Point on Saturday, leaving the Southern station at 2 and 5:30 P. M., and returning, leaving West Point at 9 and 10 P. M. At a round trip rate of half a dollar. Hundreds will go down from this city to witness the local oarsmen in their game struggle to duplicate their recent triumph. The Virginians, under the coaching and training of Mr. C. Hecox, of Washington, D. C., one of the most successful of the younger rowing coaches and oarsmen in this country, have developed excellent form and are regarded as the probable competitors of almost any club in their class. Since the recent race Coach Hecox has made several changes in the make-up of the crew, and he believes it is stronger now than when it last raced the Analostans. One or two new men are in the boat, and several others have been shifted, and some are competing with other likely candidates for seats in the shell. Here is the probable make-up of the crew as it will row Saturday, save that a choice is to be made between two men in several cases:

PERSONNEL OF VIRGINIA CREW.

Smith, stroke; Thomas, No. 7; Christian, No. 6; Booth or Crump, No. 5; Fitzgerald, No. 4; Lefebvre, No. 3; Williams, No. 2; Gilliam or Forrest, No. 1; Wadley, coxswain.

Here are the personnel of the crew and the positions of the men as they rowed the regular racing work there before the other race, with the result that the men are better able to master the new stroke. They are now rowing a longer, slower and more powerful stroke, and going well together. The indications are that the crew will be able to row several seconds faster than in the recent race here, when it was the mile in about five minutes, and won by more than a length.

Opponents Are Working Hard.
The Analostans have not been idle meanwhile. They, too, are considerably stronger than before. Two new men have been substituted who will greatly strengthen it. They are, besides a swiftest sculler, and New who formerly played end on a Yale football squad. The Washingtonians also have a new boat. The Analostan crew as it will go to West Point is practically the same that recently rowed the mile in about five minutes, and won by more than a length.

Five shells when the Potomac broke the river record, rowing a mile and a half in seven minutes, thirty-one seconds.
